

The Skiplex Independent Schools Association Indoor Ski Championships 2016

The Snowcentre, Hemel Hempstead - 25th April 2016

Race Bulletin 1: Timetable, Information, update and initial acceptance.

This bulletin is being sent to all schools that have registered teams for the above event to be held at the Snowcentre on Monday 25th April 2016. This event is organised by Impulse and BISS Racing on behalf of the ISA. We would like to thank the management and staff of the Snowcentre, Hemel Hempstead, The event sponsors and all volunteers for their assistance, without whom there would be not be a race.

Race Information

The races will be a slalom consisting of 2 runs down the same course. The morning race will be set with stubby gates and will be for Preps/Primaries with the following age groups taking part: U8, U10, U12 and U14.

The later race, for seniors/secondaries will be run through full gates with the following age groups taking part: U14, U16, U18 and U21. Should any racers from the U12/U10 age groups wish to represent an older school, they will have to 'race up' into the U14 category. We would like to add that we do not recommend U12's racing through full gates.

The race entry is now closed due to an unprecedented demand for places.

Please check the acceptance list as we are still missing a great deal of information which should have been with us by the 11th April. - If the list shows you are missing anything, please contact us to confirm what this is.
